WEST CATHOLIC HOPES TO CONTINUE ITS WINNINGS WAYS AND REPEAT IN 2026

West Catholic Football Preview

West Catholic has truly established themselves as one of the premier football programs in West Michigan and the entire state over the past several years. With their ninth state title, seven of those since 2010, and numerous playoff appearances, the Falcons continue to pursue excellence every season. Following a season opening loss to Northview in '25, the Falcons rattled off 13 straight wins, and hoisted the trophy in D5 at Ford Field. Expect the Falcons to reload in 2026.

West Catholic's Head Coach, Landon Grove will have at least one difficult decision to make and that involves replacing the production of '25 starting QB, Grady Augustyn. Pre-season camp will help solve that issue, but expect the Falcon offense to lean heavily on the returning duo of All-State RB, Collin Abram, who totaled over 1200 yds. last fall as well as WR, Thomas Puksta, who added 806 yds and 10 TD's. The O-Line will be led by fellow captains, Jael Djouguem at TE and Yann Djouguem at Guard. Expect contributions to also show up from newcomers in the backfield, Junior, Hudson Perry, and Soph., Jacob Britenfeld.

Defensively, the Falcons were stingy in 2025 and could be even tougher in '26. With the return of All-Staters Jael Djouguem and Abram at Linebacker as well as '25 starters, senior, Jack Godless, and junior, Deacon Parslow, West Catholic will be well-suited to keep opposing offenses out of the end zone.

With several returning All-Conference performers and a solid winning tradition, expect West Catholic to be back near the top of the OK White and to once again go far in the MHSAA playoffs in 2026.
